

May 25, 2022

A general meeting of the Sewer Authority of the Borough of Minersville was held Wednesday, May 25, 2022 in Council Chambers, North Delaware Avenue and East Carbon Street. Chairman Thomas Eltringham opened the meeting with the flag ceremony at 7:00PM.

ATTENDANCE

The following members attended the May meeting-Jeremy Olenick, Jeff Enders, Thomas Eltringham, Al Bobinas, Councilman Terry Raffety, Don Cuff, Authority Engineer, Sewer Plant Manager Ray Sukeena and Borough Manager, Robert Mahalchick.

MINUTES

Mr. Enders made a motion to approve the minutes from the April 2022 meeting. Mr. Olenick seconded the motion. The motion passed as presented

FINANCIAL REPORT

The May Financial Report was not available for the meeting.

VISITORS

There were no visitors at the May meeting.

SOLICITOR'S REPORT

The Solicitor was not present at the May meeting.

ENGINEER'S REPORT

Mr. Enders made a motion to approve Requisition #28 in the amount of \$8,722.50, which represents payment to Entech for engineering services completed. Mr. Bobinas seconded the motion. The motion passed as presented.

Mr. Cuff reported the Pine Street Project is due to start the week of July 4.

The ongoing project on Gallow Row should be completed by the end of this week with restoration next week.

The Sunbury Street Project is complete with punch list items next week.

SEWER OPERATOR'S REPORT

Mr. Sukeena presented members with a written report. Mr. Sukeena reported that Blooming Glen found damage to the diffusers and will be to the plant tomorrow. Kline will be doing clean out this and next week. Mr. Sukeena is looking into the UV Project and if any money remains, doing small projects. Mr. Sukeena reported there were two large sinkholes on the bottom of Spring Street, which have been taken care of. Pipe has been ordered for Water Street. Mr. Sukeena has prepared a "wish list" for the plant, as lead-time for some electronic parts is a year.

UNFINISHED BUSINESS

After considering the possibility of using money from the CARES Act for a roof on the backside of the plant, it was discovered that the structure needs to be taken down, as it is termite infested. Mr. Cuff will get an estimate from Pioneer Pole for a replacement structure for the June meeting.

Mr. Sukeena reported that a salesman is coming this week with pricing for a camera. Mr. Enders suggested checking the head on the current camera before purchasing a new one.
